Pam and Sonya – I have the following requests for the attached letter:

- Please review and if you see any other critical corrections (other than formatting, abbreviations) please let me know what those are before making any changes.
- Please don't delete or add any commas and do not add the word "the" before "EPA" as this is what leadership is directing for assumption documents.
- Once you're done reviewing, please send me an email with any revisions in "tracked changes" format.

Once they're ready to go, please prepare the documents for Jeaneanne's signature and send back to me.

The only other document that needs your attention is the one that Rosemary will follow-up on shortly.

Thanks, and let me know if you have any questions.

Tom
